New From Diecast Masters

A Wide and Growing Range of Trucks and Trailers

Diecast Masters is proud to present the 2019 edition of our Transport Series – high-quality, carefully detailed 1:50 scale diecast replicas representing the best in heavy trucking.

For long haul over-the-road applications: Freightliner New Cascadia® sleepers, plus International® LoneStar® sleepers and day cabs.

For vocational work or severe duty hauling: Tractors, dump trucks and concrete mixers including the Western Star® 4700 series and the International® HX™ Series.

For hauling construction and farm machinery: The XL120 Low-Profile HDG trailer.

To carry dry goods, refrigerated goods and other loads: 53' vans, 40' and 20' containers, flatbeds and skeletals.

Check out the products in this catalog, and be sure to stay tuned for more in the coming months!

Transport Series items come in specially designed, slide-style cardboard boxes with full-color outer sleeves – a level of premium packaging that collectors have come to value in all Diecast Masters products.
