1:50 SCALE COLLECTION

New From Diecast Masters

A Wide Range of 1:50 Scale Trucks and Trailers

Diecast Masters is proud to present the 2020 edition of our Transport Series – high-quality, carefully detailed 1:50 scale diecast replicas representing the best in heavy trucking.

For long haul over-the-road applications: Freightliner Cascadia® sleepers, plus International® LoneStar® sleepers and day cabs.

For vocational work or severe duty hauling: Tractors, dump trucks and concrete mixers including the Western Star® 4700 series and the International® HX™ Series.

For hauling construction and farm machinery: The XL 120 Low-Profile HDG trailer.

To carry dry goods, refrigerated goods and other loads: 53' vans, 40' and 20' containers, flatbeds and skeletals.

Transport Series items come in specially designed, slide-style cardboard boxes with full-color outer sleeves – a level of premium packaging that collectors have come to value in all Diecast Masters products.
